2. Applicant is in good standing with all of its grantors, funders.
3. Applicant has experience as a subcontractor and is willing to contract with ALTCEW.
4. If applicant has current unresolved audit findings or significant deficiencies a corrective action plan must be submitted with the application.
5. Applicant has the capacity to operate the program on a cost-reimbursement basis.

7. Applicant has the capacity to successfully deliver the services required by the program.

1.3. Funding

ALTCEW has utilized its best judgment of the availability of revenues for program operations in 2020. However, Applicants are advised that actual revenues may not exactly coincide with ALTCEW's estimates. There is no guarantee that programs identified herein, which are currently funded in 2020, will continue to receive such funding. In the event of deviations, ALTCEW will develop revised 2021 allocations. Any modifications of these allocations will be accomplished in accordance with the Service Delivery Priorities and Allocations, as described in ALTCEW's 2020-2023 Area Plan on Aging and Long Term Care for PSA #11. A copy of the Area Plan is available on the ALTCEW website.

Geographic Area	Program	Source	Allocation
Whitman County Sub-region	Senior Legal Assistance	Older Americans Act Title IIIB	\$2,284

In addition, matching funds of 15% from the Applicant's organization are required for Older Americans Act (OAA) programs. SCSA funds can be used to match Title IIIB funds.

1.4. Period of Performance

The period of performance of any contract resulting from this RFP is scheduled to begin on January 1, 2021 and to end on December 31, 2021, with the potential for annual contract extensions up to an additional 36 months. Extension of this contract for an additional time period is subject to the availability of funding, the continued high priority of need for a specific program and method of service of operations, no major performance difficulties with service contracts from other funding source in the past five (5) years, service provider is in good standing with ALTCEW, service provider's willingness to accept a contract extension, and mutual agreement between ALTCEW and service provider on contractual provisions, including compensation.

ALTCEW will consider an Applicant's request for exemption from disclosure; however, ALTCEW will make a decision predicated upon state law and regulations. All requests for public disclosure should be directed to Jennifer Lichorobiec, Public Disclosure Coordinator, via email at Jennifer.Lichorobiec@dshs.wa.gov

Applicants are encouraged to frequently check the website for any changes or new information. ALTCEW also reserves the right to cancel or to reissue the RFP in whole or in part, prior to final award of a contract.

All proposals will be reviewed by the Planning and Management Council (PMC) with the assistance of an Ad Hoc Subcommittee of the PMC to determine compliance with administrative requirements and instructions specified in this RFP. The Applicant is specifically notified that failure to comply with any part of the RFP may result in rejection of the proposal as non-responsive.

ALTCEW reserves the right at its sole discretion to waive minor administrative irregularities.

2.9. Minority & Women-Owned Business Participation

ALTCEW encourages participation in all of its contracts by firms certified by the Washington State Office of Minority and Women's Business Enterprises (OMWBE). Applicants may contact OMWBE at 360-753-9693 to obtain information on certified firms.

2.10. Most Favorable Terms

ALTCEW reserves the right to make an award without further discussion of the proposal submitted. Therefore, the proposal should be submitted initially on the most favorable terms which the Contractor can propose. There will be no best and final offer procedure. ALTCEW does reserve the right to contact an Applicant for clarification of its proposal.

The Applicant should be prepared to accept this RFP for incorporation into a contract resulting from this RFP. Contract negotiations may incorporate some or the entire proposal. 2.13. Rejection of Proposals

ALTCEW reserves the right at its sole discretion to reject any and all proposals received without penalty and to not issue a contract as a result of this RFP.

3. EVALUATION AND CONTRACT AWARD

3.1. Evaluation Procedure

The ALTCEW Planning and Management Council (PMC) is required to review applications and make recommendations to the ALTCEW Governing Board as to the successful proposal. Responsive proposals will be evaluated in accordance with the requirements stated in this solicitation and any addenda issued. Evaluation of proposals shall be accomplished by an Ad Hoc Subcommittee of PMC volunteers and content experts when necessary, which will recommend the ranking of the proposals to the PMC. The PMC then makes recommendations to the Governing Board.

The Department of Social and Health Services, Aging and Long Term Support Administration (AL TSA), reserves the right to review and approve any proposal selected by ALTCEW prior to ALTCEW's issuance of a contract for service provision. The purpose of this review is to assure that all Federal and State requirements are satisfied. Proposals submitted by for-profit entities require approval from Aging and Long Term Support Administration (AL TSA) prior to contracting with ALTCEW.

3.2. Evaluation Criteria

Proposals will be evaluated and selected for funding based upon the criteria as outlined in this RFP, and information provided in the application. All relevant documents will be posted on the website, www.altcew.org and are considered a part of this RFP. The numerical value assigned to each criterion is shown in the Technical Proposal and Budget Proposal.

3.3. Site Visits

Agencies submitting proposals may be contacted by ALTCEW to schedule a site visit. Each Applicant will decide if the site visit will be a presentation or a tour of the site and which staff they will have participate.

3.4. Notification to Applicants

After the Planning and Management Council award recommendations have been determined, Applicants will be sent a letter telling them of the PMC recommendations via e-mail and hard copy. The PMC recommendations will be presented to the Governing Board at its next meeting.

3.5. Awards at Reduced Funding Level

If an Applicant submits a successful proposal, but is not funded at the full budget request, the Applicant will be required to submit a revised program budget and service model for the amount awarded. Agencies that do not provide a revised budget and service model within 15 working days of notice of award are at risk of forfeiting their award.

3.6. Appeal Procedure

Following evaluation by the PMC, recommendations for award shall be submitted to the ALTCEW Governing Board. Applicants wishing to appeal the PMC recommendations of award of the contract must make their appeal before the ALTCEW Governing Board. Appeals must be submitted in written form to ALTCEW within ten (10) calendar days of the notice of the PMC's recommendations. The Governing Board, following consideration of an appeal, will make the final decision on the recommendations of the PMC.

An appeal of PMC recommendations by unsuccessful bidders for competitive proposals can only be based on the following grounds:

- A. Arithmetic error in the scoring by ALTCEW.
- B. Failure to adhere to the procedure outlined in the RFP/RFQ.
- C. Bias discrimination or conflict of interest by an evaluator.

An appeal of the PMC recommendation will be heard at the next regularly scheduled Governing Board meeting following receipt of the written appeal. ALTCEW reserves the right to set a different appeal date following receipt of the appeal. Written notice of the scheduling of the appeal hearing and the appellant's procedural rights will be sent to the appellant at least ten days prior to the appeal. The Governing Board will issue a written decision within fifteen (15) days after the hearing. The appellant will be informed of the right to appeal the final decision of the Governing Board at the State level, pursuant to Federal and State regulations.

4. CONTRACT TERMS

The Applicant selected by ALTCEW will be expected to sign a contract. Any contract resulting from this RFP will incorporate the RFP, Federal, State and ALTCEW requirements.

Service Agreement: The Service Agreement awards a defined sum of money to a contractor for a set period of time for the performance of a specific service within a defined geographic area. The agreement defines the service, identifies the population to which the service is delivered,

projects the number of persons to be served and units of services to be delivered, identifies how the contractor plans to administer and staff the service, and specifies in a line item budget how the funds for the project are to be expended. The Service Agreement also defines the contractor's reporting responsibilities, how the agency will be paid by ALTCEW, and specifies the agency's obligation for the procurement of non-Federal matching resources. The Service Agreement includes General and Special Terms and Conditions.

4.1. Conflict of Interest

No officer, volunteer (including any outside individual), or employee of ALTCEW, having the power or duty to perform an official act or action related to this contract shall have or acquire any interest in the contract, or have solicited, accepted or granted a present or future gift, favor, service or other thing of value from or to any person involved in the contract.

4.2. Assignment

The successful Applicant Agency shall not assign, transfer or subcontract its interest, in whole or in part, without the prior written consent of the authorizing official for ALTCEW.

4.3. Non-Waiver

No delay or waiver, by either party, to exercise any contractual right shall be considered as a waiver of such right or any other right.

4.4. Severability

In the event any provision of a contract resulting from this RFP should become invalid, the rest of the contract shall remain in full force and effect.

4.5. Disputes

This contract shall be performed under the laws of Washington State. Any litigation to enforce this contract or any of its provisions shall be brought in Spokane County, Washington.

4.6. Nondiscrimination

No individual shall be excluded from participation in, denied the benefit of, subjected to discrimination under, or denied employment in the administration of or in connection with this agreement because of age, sex, race, color, religion, creed, marital status, familial status, sexual orientation, national origin, honorably discharged veteran or military status, the presence of any sensory, mental or physical disability, or use of a service animal by a person with disabilities.

4.7. Liability

The successful Applicant will be considered an independent contractor and the Agency, its officers, employees, agents, or subcontractors shall not be considered to be employees or agents of ALTCEW. The Agency shall defend, indemnify and hold harmless ALTCEW from all loss, liability, damage, death, or injury to any person or property, arising from the performance or omission of the Agency, its agents, or employees arising directly or indirectly, as a consequence of a contract.

4.8. Internal Accounting Control

The Applicant shall establish and maintain a system of internal accounting control which complies with applicable generally accepted accounting principles and governmental accounting and financial reporting standards. A copy of the Agency's most recent audited financial statement shall be kept on file at ALTCEW. ALTCEW has the right to audit the finances of the successful Applicant to ensure that actual expenditures remain consistent with the spirit and intent of this contract. The Executive Director or his/her designee may inspect and audit all records and other materials and the Agency shall make such available upon request.

4.9. Financial Reporting and Payment Provisions

ALTCEW service contracts are either **cost-reimbursement** or **unit rate** contracts. A contract resulting from this RFP will be **cost-reimbursement** for Community Living Connections services. Contractors are paid based on actual expenditures (allowable/allocable costs) for cost-reimbursement. Contracts include detailed budgets with estimated line item expenditures. Only minimal variances are allowed within the approved contract budget. Contracts also include projected number of units and persons to be served. Only minimal variances from these projections are allowed. ALTCEW acknowledges that variances from these projections can be re-negotiated with ALTCEW.

The contractor shall submit all requests for reimbursement no later than the seventh (7th) working day of the month following the month of service. Final closeout invoices shall be submitted no later than the 20th of the month following the final month of the budget. The contractor shall use forms provided by ALTCEW for reports and billings.

4.10. Reporting Requirements

Contractors must be prepared to keep records on program operations and to submit periodic reports to ALTCEW. At a minimum, ALTCEW requires the completion of the following reporting forms on a monthly basis:

- A Participant Information Form (PIF) for each new client served during the reporting period
- A list, by name, of the individuals served during the reporting period
- The number of services rendered to each individual during that period

ALTCEW will determine all reporting requirements and schedules as part of the contract between ALTCEW and successful Applicants. The contractor is responsible for having staff utilize the CLC/Get Care reporting system to input client data, demographics, and service utilization using the terms identified by ALTCEW. ALTCEW will provide licenses to access the CLC/GetCare software.

5. BUDGET SPECIFICATIONS

5.1. Federal and State Regulations

The applicant is required to follow the **WASHINGTON STATE BUDGETING, ACCOUNTING, AND REPORTING SYSTEM (BARS)** policies, procedures, and codes in accounting and fiscal reporting for ALTCEW contracts. In addition, the following Federal and State guidelines and regulations are applicable to fiscal operations for ALTCEW contracted services:

- a. Uniform Administrative Requirements Cost Principles and Audit Requirements for Federal Awards-Federal Register 2 CFR 200.
- b. Government Auditing Standards by the Comptroller General of the United States (The Yellow Book) 2011 revision.
- c. Older Americans Act of 1965, as amended in 2016.
- d. Department of Health and Human Services Regulations:
 - Administration of Grants, 45 CFR Part 74
 - Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments, 45 CFR Part 92
 - Grants for State and Community Programs on Aging, 45 CFR Part 1321
- e. Department of Social and Health Services Administrative Policy 16.01
- f. Revised Code of Washington (RCW) Citations:
 - County Advances 39.34.020, 150, and 160
 - Respite 74.41
 - Senior Citizens' Services Act 74.38

5.2. Matching Funding

If the funding for the program is through Title III Older Americans Act (OAA), then it must be matched with local resources (cash, in-kind, or state grant funds) contributed to the cost of the project by the applicant. The minimum matching ratio is 85% OAA - 15% local resources and/or in-kind. In valuing In-kind contributions, the amount claimed will be considered reasonable to the extent that it is consistent with the value placed on similar work or services performed within the Applicant agency. In cases where the type of service provided is not found within the agency, the amount claimed will be considered reasonable to the extent that it is comparable to that paid for similar services in the labor market in which the agency competes for the service involved. In computing the match amount, a common mistake is to assume that the match is 15% of the OAA funds. The proper method to calculate a 15% match follows:

Example: Assume a program requests \$10,000 in OAA funds from ALTCEW. To secure this amount, additional matching funds of at least 15% are required. Therefore, the amount of OAA funds (\$10,000) represents only 85% of the total funds for the ALTCEW contract. To calculate the amount of the match:

- a. $\$10,000 / 0.85 = \$11,765$ (Rounded to nearest \$)
- b. $\$11,765 - \$10,000 = \$1,765$ (Match amount)

For \$10,000 in OAA funds, an additional \$1,765 in match (cash, in-kind, or state grant funds) is required. The total ALTCEW Contract budget amount is therefore \$11,765, of which 85% (\$10,000) is OAA funds and 15% (1,765) is the minimum match required. If state grant funds are used for the match, the ALTCEW Contract budget amount remains at \$10,000.

5.3. Program Income (Donations and Fees)

Program income is gross income received by a contractor directly generated by federal funds or a federal grant supported activity or earned as the result of the grant and/or a federal contract.

Program Income may include, but is not limited to, income from:

- a. Fees for services performed.
- b. Proceeds from the sale, lease, or rent of assets which were acquired using federal funds. (Income from sale of commodity items.)
- c. Contributions/donations from clients.
- d. Honorariums, consultant fees, training fees, and the like earned by staff, when time spent earning such honorarium or fee was charged to federal funds.
- e. Revenue generated from sale of fabricated items.

"Using federal funds" and "charged to federal funds" means the cost was reimbursed by ALTCEW or the cost was used as matching or cost sharing for the contract.

In cases where it is uncertain whether federal contract funds supported or subsidized the activity in question, it is presumed that the income is program income unless the applicant can show otherwise.

Program income must be expended only within the contracted fund that earned it and in accordance with that contract's objectives.

It is important and necessary that an applicant agency accurately estimate the extent of revenue to be received from program income sources. These resources must be reflected in the contract budget column. The total amount of expected program income should be budgeted in the contract budget column and should be listed as program income non-match. These revenues must be properly accounted for and utilized in the year received to expand the scope of the program. Exceptions to this policy must be approved in writing by ALTCEW, pursuant to guidelines issued by the DSHS Aging and Long Term Support Administration.

Program income, on rare occasions, may be earned as an established minimum fee charged to persons receiving the service who are not eligible participants. These fees are to be reported as program income. Service providers are responsible for the collection of the established minimum fee for services performed. It is unallowable to bill ALTCEW for the established uncollected fees.

5.4. Other Resources

Proposed budgets should reflect other resources used to support the proposed program, including other ALTCEW resources or outside resources. For example, agencies with Senior Community Service Employment Program (SCSEP), also known as Title V, workers should show this revenue in the "Other Resources" column on the budget forms and listed in the revenue narrative for the specific program in which the SCSEP person is working. The employee should also be listed in the staffing chart. Any ALTCEW Contractor that receives COPES Waiver Services funding should also include the anticipated revenue in the "Other Resources" column on the budget forms and list the amount in the revenue narrative for the specific program.

5.5. Capital Asset Purchases

Contractors receiving funds from ALTCEW must obtain prior approval of capital asset costs. Capital asset is defined as an item with a normal life of more than one year and a cost of \$5,000 or more. Contractors must provide written justification to ALTCEW as part of the Price Proposal expenditure narrative and for approval prior to purchase of equipment. Documentation must include:

- a. A demonstration of the need for the capital expenditure;
- b. A description of the benefits to be received from the expenditure;
- c. Documentation of various alternatives explored, e.g., leasing;

- d. Evidence that proper allocation of the cost will occur if the asset is to be used for multiple-funded programs;
- e. Evidence that approval for the cost was granted prior to the cost being incurred by the contractor.

Any property/equipment purchased with contract funds are subject to the equipment accountability and disposition requirements prescribed in the Federal Uniform Administrative Requirements for Grants, Sections 32 and 33.

Programs supported by funds in addition to those received from ALTCEW may utilize aging-funded equipment for clients 18 years and older but under the age of 60. Charges to the aging funds must be pro-rated based on client usage.

Contractors must maintain an inventory of all purchased and/or state-provided property (i.e. ALTCEW provides computers for TXIX case managers). The inventory records must include item descriptions, serial numbers, costs, purchase dates, type of fund(s) used to purchase items, life expectancy of items and location of the items.

5.6. Financial Management System

The Contractor's fiscal management system must include the capability to:

- a. Provide accurate, current and complete disclosure of the financial status of the service proposed to be provided.
- b. Identify the source and application of funds for services in whole or in part, and to distinguish costs of services provided under the terms of the contract from all other costs of services provided by the applicant and to provide the separation of all funds received under the terms of the contract from all other funds received by the applicant.
- c. If funds from more than one source are awarded to the Contractor, as specified in the Computation of Contract Award, the Contractor's fiscal management system must provide for a separate accounting for funds from each source, and for a separate reporting of expenditures from each source to ALTCEW.
- d. Provide internal controls, cash management, purchasing and payroll systems to adequately assure control of ALTCEW funds.

5.7. Record Retention

The Contractor and any subcontractors shall retain all books, records (including medical and treatment records), documents, reports and other data for six years after settlement, unless otherwise provided or required by law. For the purposes of this clause, settlement shall mean the resolutions of all matters including payment, receipt of all required financial reports, releases, and other matters subject to clarification and execution, incidental to, and following an audit by an auditor hired by the applicant.

5.8. Financial Records and Monitoring

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.

If the grantee does not identify the workplace(s) at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph 5).
8. Definitions of terms in the Non-procurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules: Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15); Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes; Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance; Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

However, prior to taking formal action to reduce or terminate the Agreement pursuant to this paragraph, ALTCEW shall solicit the views of the CONTRACTOR in an effort to determine what course of action, given the constraints facing ALTCEW, shall be least disruptive to the continued provision of services to older persons. Termination under this section shall be effective upon receipt of written notice by the CONTRACTOR or its representative.

ALTCEW agrees to promptly notify the CONTRACTOR of any proposed reduction in funding by State, Federal or other officials. Costs for such training, as warranted, have been included in the budget developed for the project and submitted as part of this application. - C. A service provider that receives Federal funds under this Agreement may not deny any older person a service because the older person will not or cannot contribute to the cost of the service.
- D. Contributions made by older persons or on behalf of older persons are considered program income.

14. **Indemnification.** The CONTRACTOR agrees that all services to be rendered or performed under a contract awarded pursuant to this Application will be performed or rendered entirely at the Applicant Agency's own risk and the Applicant Agency expressly agrees to indemnify and to hold harmless ALTCEW and all of its officers, agents, employees, or otherwise, from any and all liability, loss or damage. Provided, however, that the provisions of the above shall be inapplicable to the extent that ALTCEW is judicially found solely or partially negligent for the damage or injury.

Budget Proposal

The budget proposal provides a complete description and amounts of the proposed revenue and expenditures needed to provide the model of service delivery contained in the technical proposal. Budget proposals shall be submitted on the Technical and Budget Proposal Forms included in Exhibit D. Round all figures in the budget(s) to the nearest whole dollar.

A budget for the period from January 1, 2021 to December 31, 2021 should be prepared for each program and for each funding source, if there is more than one. Because the State fiscal year ends on June 30 each year, the 2021 budgets include funds from two State fiscal years. To manage this, Applicants should be aware that no more than 50% of State funds (SCSA) awarded for 2021 can be used by June 30, 2021. For each State funding source, Applicants should prepare two six-month budgets, which total the annual awards. Funds not used by June 30, 2021 will no longer be available.

For this RFP, the following budgets are required:
