

SPOKANE AREA DEMENTIA FRIENDLY COMMUNITY

People living with Alzheimer's or dementia can view virtual Spokane Symphony concerts for free!

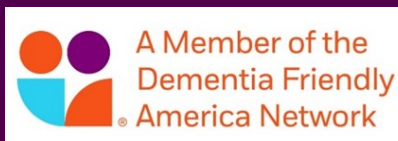

View a Spokane Symphony Master Works concert online thanks to their Reconnect initiative.

Free access is available for:

- Spokane Area DFC supporters
- People living with Alzheimer's or dementia
- Their caregivers and family

If watching the concerts or hosting a viewing party, please consider notifying us! This information is very helpful for us to gather and will help us to support people living with dementia in the best way possible.

Consider Hosting a Viewing Party

- If you are interested in watching the concerts or hosting a viewing party, email dementia@altcew.org for the link & password to the videos.
- There is a final concert remaining in the season on April 23rd - 24th.
- Virtual access is available thirty days after each concert.

We are be happy to support you in any way possible!
