

Spokane Energy Assistance Days

Presented in partnership with Avista and SNAP

Please join us either Monday, Tuesday or Wednesday, October 3, 4, or 5, for **Spokane Energy Assistance Days**.

Call and sign up for an in-person appointment to qualify for bill assistance (a financial credit on your bill).

The event is open to income-qualified Avista customers (see chart). You will need your 10-digit Avista account number when you call to set up an appointment.

Appointment lines open at 9 a.m. on Monday, August 29. (Hurry, space is limited to the first few hundred callers.) **You only need to make an appointment for one of these days.**

Please call **(509) 495-1470** to sign up*. The appointment line will close when all appointments are filled or on Friday, September 23, whichever comes first.

*We anticipate higher than normal call volume. If you encounter a message that says, "The phone line is not working," please call back later as our phone lines are overwhelmed. Your time slot and location will be confirmed and sent to you.

La opción en español para programar una cita está disponible.
