

# LIVING WITH ALZHEIMER'S FOR EARLY-STAGE CARE PARTNERS

An education program presented by the Alzheimer's Association®

In the early stage of Alzheimer's disease, families face many new questions. What does the diagnosis mean? How do we plan for the future? What resources are available to help?

Join us for this three-part series that answers these and other questions that arise in the early stage. Hear from other care partners and individuals living with Alzheimer's and learn tips and strategies to help you support a person living with the disease.

To register,  
phone 800.272.3900
